October 16, 2009 - 2:00 PM

Our new 10,000 square foot facility will house a Municipal Visitor Information Centre, office, 2 conference rooms, full kitchen facilities and 4400 square foot display area for the motor vehicles and historical information. Representatives from the Federal Government, ACOA, Provincial Government, the Village of Petitcodiac and Ernie McLean representing the Maritime Motorsports Hall Of Fame Inc. will be the dignitaries present for the ribbon cutting ceremony, facility tour and reception. The official ceremony celebrating the opening of the Maritime Motorsports Hall Of Fame building begins at 2 pm with the cutting of the ribbons. A ribbon will represent each of the four partners who have made this project possible; the federal government, provincial government, Village of Petitcodiac and the Maritime Motorsports Hall Of Fame Inc.

Everyone is welcome to attend this exciting event. We are a non-profit organization and it has taken years of hard work by many people to have this beautiful facility to preserve and promote motor sports here in the Maritimes. Please come help us celebrate!
